Kokernag

The Kokernag area is condensed with a variety of picnic spots , natural surroundings and exuberant mountainous habitat. The clean and translucent natural drinking water is available almost at all tourist attractions within the circuit. It has the potential to enthrall nature lovers and trekkers through its beautiful and charming landscape ,mountain passes and high altitude water bodies / lakes. The trekking routes and water bodies enshrine the beautiful springs of Mawarnag & Ichonag in Ahlan Gadole area , Choharnag, a place having 04 natural lakes including one of the biggest high altitude water bodies spread across 178 kanals of land on the Margan Top and Famber Nag in the same area. Besides the Springs of Achabal, Andoo and Kokernag are very famous for their pristine natural drinking water.

Kokernag

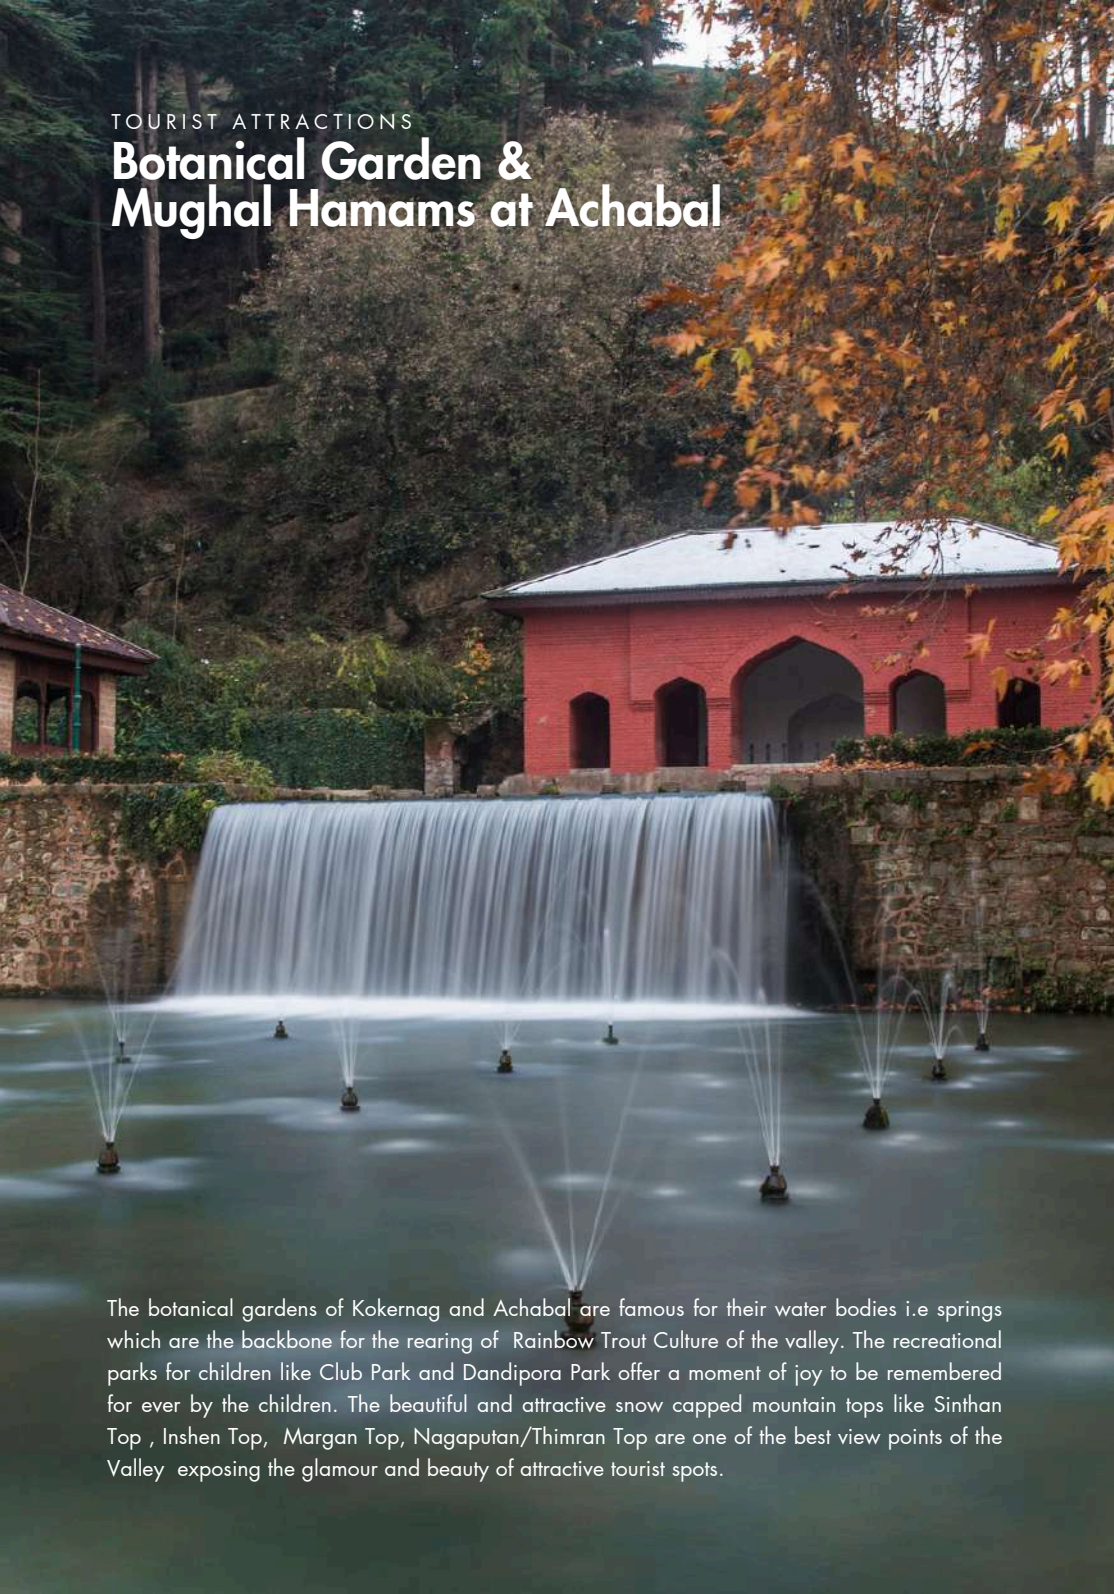

circuit at a glance

The famous tourist destination of Kokernag is situated at a distance of 80 Kms from Main Capital City Srinagar. However the destinations within the lesser known Kokernag Circuit can be approached directly by tourists coming from Jammu NH1A, either via Verinag –Lisser Road or Anantnag- Dalgam-Badasgam Road or Anantnag –Achabal- Mohripora - Road or Anantnag-Achabal- Shangus- Andoo- Kachwan -Larnoo , Dandipora- Kokernag Road. Similarly, people from Maraw Warwan can enter Kokernag via Margan Top, Mathindoo larnoo road. Visitors from Kishtwar of Jammu division can directly come to the famous tourist attractions via NH1B Sinthan Kishtwar Anantnag Road after crossing the Sinthan Pass of Kokernag circuit.

TOURIST ATTRACTIONS

Botanical Garden & Mughal Hamams at Achabal

The botanical gardens of Kokernag and Achabal are famous for their water bodies i.e springs which are the backbone for the rearing of Rainbow Trout Culture of the valley. The recreational parks for children like Club Park and Dandipora Park offer a moment of joy to be remembered for ever by the children. The beautiful and attractive snow capped mountain tops like Sinthan Top , Inshen Top, Margan Top, Nagaputan/Thimran Top are one of the best view points of the Valley exposing the glamour and beauty of attractive tourist spots.

TOURIST ATTRACTIONS

TOURIST ATTRACTIONS

Kokernag Botanical Garden

It is located in the main bowl of the tourist village Kokernag and is having a number of attractive varieties of both the local and non local flora. In the south west corner of the park the famous Kokernag spring is situated adjacent to the that is a Sulphur Spring famous for its healing properties .

Phatan Ahlan Gadole

Kokernag-Vailoo-Ahlan-Gadole Circuit is imbued with the treasure of natural beauties. The resting pad offered at the merging spot of Mawar Nallah and Poshbagh Nallah at Phatan Ahlan serves as a base for tourists and trekkers, charmed by the beauty of water body Mawar Nag and Eicho Nag on Eastern Side and Poshpathri on the Southern Side. Some Tourists even like to rest in the glade of pine trees at Zampathri. The famous Monastery of Hazrat Shah Asar Din (RA) is situated on the Northern bank of Eicho Nallah at Eichu Gadole 5 KMs away from Vailoo. At this place Four Springs add to the glamour of the locale.

TOURIST ATTRACTIONS

Recreational Park, Dandipora

The Recreational Park has been created with the main intention of providing entertainment through establishing of See Saw, Swings, merry go round to the children. Two small water channels pass through the park besides it has a very nice water body at the center brimming with fresh water.

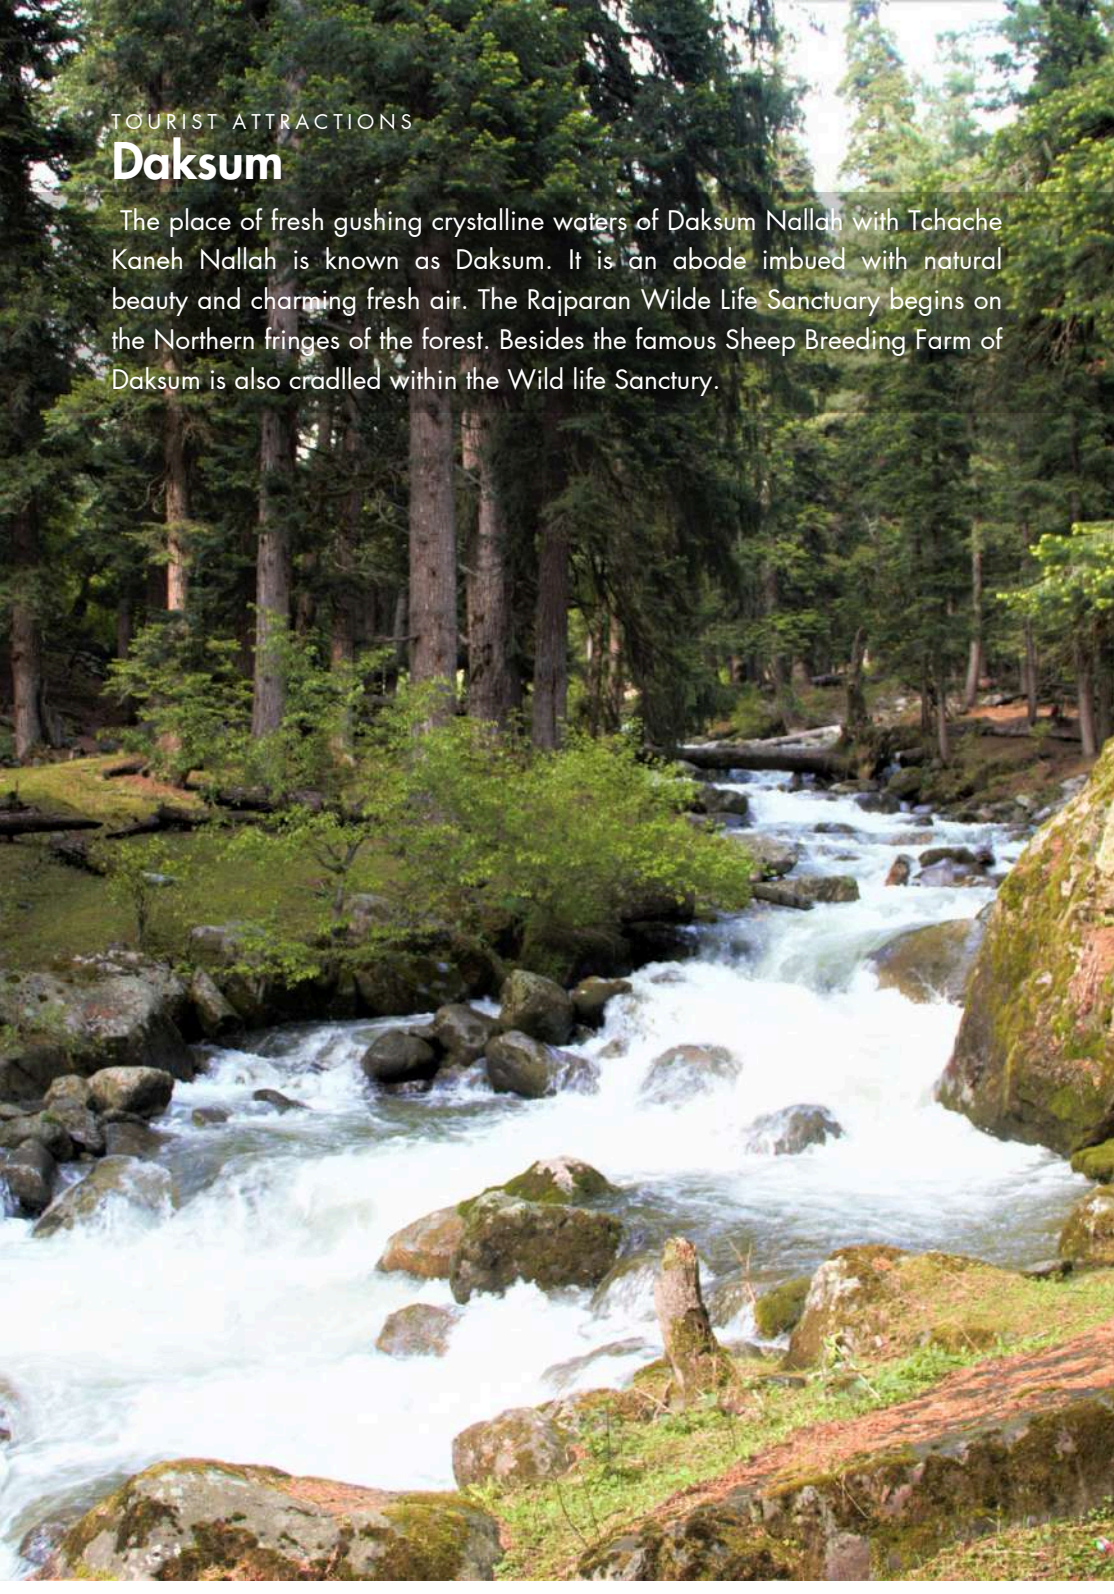

Bidihard Park

The Bidihard Park is situated just half a kilometer from Dandipora Park enroute Daksum Tourist Destination. It is surrounded by the splashing waters of Daksum Nallah. The Park serves as a resting and refreshing spot for onward sojourn to Daksum or Sinthan Top. From here one can either take rest or decide the future course of journey because East wards lies the beautiful tourist destination Daksum, Zarkhan and Sinthan Top towards Kishtwar area of Jammu region.

TOURIST ATTRACTIONS

Daksum

The place of fresh gushing crystalline waters of Daksum Nallah with Tchache Kaneh Nallah is known as Daksum. It is an abode imbued with natural beauty and charming fresh air. The Rajparan Wilde Life Sanctuary begins on the Northern fringes of the forest. Besides the famous Sheep Breeding Farm of Daksum is also cradled within the Wild life Sanctuary.

TOURIST ATTRACTIONS

Sinthan Top

It is Situated at an altitude of 2000 Meters above sea level, just 42 Kms from Kokernag and is one of the best view points of the valley. Besides the air is fresh and rejuvenating. During Summer the corridor upto the Top is thrown open for Tourists who like to enter into the Valley from across the Chenab Valley of Jammu division and vice versa.

Hallen Shatoora Larnoo

The beautiful picnic spot is situated at a distance of 5 kms from Bidihard Dandipora. The site is famous for camping and exploration of upper areas in Hallan, Forest Range. One of the springs in upper areas of Hallan has a good quality of fresh natural water.

Kharpora Walnut Valley

From Hallan at a distance of just 4 kms one enters into the walnut valley of Kharpora Soaf Shali Bowl. In route Kachwan at Kharpora Curve we have one of the best over view of the mountain ranges with big orchards of walnut trees within the bowl down below.

Kachhwan

From the valley of Kharpora one reaches the beautiful entry top of Kachwan area. Down below the Kachwan Top upto Andoo the landscapes are an intermix of beautiful meadows bosomed by lush evergreen forests of Pine & Fir trees. Tourists can rest in the lap of nature because there is no scarcity of water and space to embrace the fresh air and natural peace.

After going through the three main picnic spots of Kachwan area one can taste the fresh water gushing out of two fresh water springs at the foot hills of the picturesque Kachwan range at Andoo. The two springs welcome the Tourists from both Achabal & Kokernag area. At the same spot famous prayer place of Baba Haider Reshi^{RA} is located

Kuthair

The Place is just 5 kms away from Andoo & is having historical background which lends an authenticity to the civilizational development of the Kashmiri composite culture. The place is famous for ancient monumental remains and a fresh water spring known as Papasudan Nag.

From Kuthair one can simply reach Achabal within a period of 20 minutes from where one can proceed towards the worlds famous Sun Temple situated at Kehribal Mattan. The place has one of the masterpieces of ancient monuments of Kashmir i.e, Sun Temple. After wards the Kokernag Tourist Circuit is connected with that of the Pahlagam Tourist Circuit at the famous springs of Mattan (Martand Temple).

Achabal-Chattpal-Thimran Valley

From Achabal one can go to Chattapal which is located at a distance of 35 kms. The place is imbued with the beauties of nature and one can enjoy the sojourn into the area. It serves as a corridor for the famous Thimran Valley . The valley is a wide canvass of lush green meadows imbued with different species of herbs and shrubs.

Dopnadi Waterfall

From Chattapal one can simply visit village Dardpora to have a glimpse of one of the best Natural Dopnadi Waterfall which is located at a distance of 4.5 Kms. The exuberant waters fall from a height of round about 20 fts.

Nagputan Thimram Bala

Another attraction for the nature lovers are the subsequent Waterfalls of Nagputan Brarinard which are situated on the upper fringes of Village Thimran Bala in between Hamgudson Peak on the Right Side and Krimilkhudan Peak on the left with Chapnadi at the foot hill. The view of the waterfalls and the peaks can be had from Thimran Bala located at a distance of 4 Km from Chattapal.
